- Frame made of metal with matt black powder coating
- H 79 cm x W 180 cm x D 90 cm

Generous luxury in an airy design. The Elegance dining table clearly lives up to its name. This slim dining table of the Dutch brand vtwonen has a generous size but a very subtle design. The dining table offers enough room for 4-6 people and fits easily into various interior styles.

Material

The top of the Elegance dining table is made of mango wood with a matte black finish. Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grains or dark lines and knots make every mango wood item unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged. The base of the dining table is made of strong metal with a matte black powder coating.

Dimensions

The table has a height of 79 cm, the table top is 3,5 cm thick. The table top has a width of 180 cm and a depth of 90 cm. The metal frame has a thickness of \varnothing 3 cm. The central rod is reinforced and slightly na...
