## MAE SIDE TABLE ORGANIC OBLONG WOOD ALPACA

wood

Dimensions

35x100x58

Material

mdf/pine

Color finish

alpaca

### Additional description

- Organically shaped side table
- MDF table top and pine legs
- Playful item for a daring interior
- H 35 cm x W 100 cm x D 58 cm

The Mae occasional table has been newly added to the collection of the interior label WOOD. Mae is striking due to its playful organic shapes and slender leg frame. The raised edge around the top ensures that the contents of a toppled glass remains safely on the table, so kids proof!

### Material

The table top of the Mae is made from strong MDF, the legs are formed from pine. MDF is formed from pressed wood fibres which are bonded together under high pressure using resin. This gives MDF a very smooth surface. The MDF from our collections is always treated with a strong primer and finished in a colour. This ensures that the article is well protected and ready for use.

### Dimensions

This slim side table has a height of 35 cm and is approximately 100 cm wide and 58 cm deep. The table top has a raised edge of 2 cm high. The legs have a height of 32 cm and run from the top  $\varnothing$  3 cm tapering to  $\varnothing$  1.5 cm. The side table has a carrying capacity of 10 kg when evenly distributed. The table itself weighs just under 5 kg.

### Maintenance

The advantage of MDF is th
